**ABOUT THE DESIGN TRUST:**

The Design Trust for Public Space creates public/private partnerships to improve New York City. We bring together neighborhoods, public agencies, and design professionals to find innovative opportunities for change. By turning good design intentions into reality, we enrich the urban experience for all New Yorkers. Our current project, Taxi 07, will reinvent the iconic yellow cab and rethink the taxi system for the next 100 years.

For more information, please visit [www.design-trust.org](http://www.design-trust.org).

**IMPROVING PUBLIC SPACE FOR ALL NEW YORKERS**

\*William Wegman has donated a studio portrait to be created for the winning bidder.
